

## Directions from main gate to Bisley Field Target Organisation

If you have a Sat Nav then the nearest postcode is GU24 0PB. This will get you onto the Bisley shooting ground. If you prefer the Long/Lat coordinates for the BFTO then they are: 51°18'42.20"N and 0°39'44.80"W

Once on Bisley Camp travel along Kings Way, with the Lord Roberts Centre on your left, until you pass a sign listing the clubs and facilities on the Bisley site. Take the next left after the sign onto Elcho Road. Follow this road between dorms and caravans until you have gone over three speed bumps. Soon after the third speed bump, the tarmac road will bend to the right with a track off to the left. Take the track to the left and as you turn down the slope you will see Mallabar Hut (BFTO Clubhouse) in front of you. Park along the fence line at the bottom of the slope or on the main grass area, please do not park in front of the two lodges on the left.
